Further the additional information with respect to Items no. 2 is also annexed hereto.**
2. Considering the present Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular dated May 5, 2020 read together with circulars dated April 8, 2020 and April 13, 2020 (collectively referred to as "MCA Circulars") and Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12 May 2020 issued by the Securities and Exchange Board of India (collectively referred to as 'the Circulars') permitted convening the Annual General Meeting ("AGM" / "Meeting") through Video Conferencing ("VC") or Other Audio Visual Means ("OAVM"), without the physical presence of the members at a common venue. In accordance with the MCA Circulars, provisions of the Companies Act, 2013 ('the Act') and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the AGM of the Company is being held through VC / OAVM. The deemed venue for the AGM shall be the Registered Office of the Company i.e. Unit No. 201, C-50, Malviya Nagar, New Delhi-110017.
3. The VC/OAVM facility for members to join the meeting, shall be kept open 30 minutes before the start of the AGM and shall be closed on expiry of 30 minutes after start of the AGM. Members can attend the AGM through VC/OAVM by following the instructions mentioned in this notice.

Generally, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself and the proxy need not be a member of the Company. Since this AGM is being held through VC / OAVM pursuant to the aforesaid Circulars, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed hereto.
4. Corporate members whose authorized representatives are intending to attend the meeting are requested to send to the company at secretarial@vipulgroup.in, a certified copy of the board resolution authorizing such representative to attend the AGM through VC/OAVM, and cast their votes through e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to avafirm@gmail.com with a copy marked to helpdesk.evoting@cdslindia.com.
5. Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
6. Details of Directors retiring by rotation / seeking appointment / re-appointment at this Meeting are provided in the "Annexure" to the Notice.
7. In compliance with the MCA Circulars and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2019-20 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. None of the Directors and Key Managerial Personnel of the Company and their relatives is in any way, concerned or interested, financial or otherwise, in the resolution set out at item no. 3 of the notice.

The Board recommends the resolution set forth in item no. 3 of the Notice for the approval of the members as an Ordinary Resolution.

Item No. 4

The Nomination and Remuneration Committee of the Board of Directors, on the basis of the report of performance evaluation, has recommended re-appointment of Mrs. Ameeta Verma Duggal as an Independent Director for a second term of 5 (five) consecutive years on the Board of the Company.

Pursuant to the provisions of Section 149 and 152 of the Act, Mrs. Ameeta Verma Duggal being re-appointed Director is not liable to retire by rotation.

For re-appointment of Mrs. Ameeta Verma Duggal as an Independent Director from September 26, 2020 requires the approval of members by way of a special resolution, pursuant to applicable provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 149(10) of the Companies Act, 2013.

The Board, based on her performance evaluation and as per the recommendation of the Nomination and Remuneration Committee, considers that, given her background, long and rich experience, continued valuable guidance to the management, strong Board performance and contributions made by her during her tenure, the continued association of Mrs. Ameeta Verma Duggal would be beneficial to the Company and it is desirable to continue to avail her services as an Independent Director.

Accordingly, it is proposed to re-appoint Mrs. Ameeta Verma Duggal as a Non-Executive Independent Director of the Company, not liable to retire by rotation, for a second term of 5 (five) consecutive years on the Board of the Company.

Mrs. Ameeta Verma Duggal is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given her consent to act as a Director. The Company has also received declaration from her that she meets the criteria of independence as prescribed both under Section 149(6) of the Act and under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

In the opinion of the Board, Mrs. Ameeta Verma Duggal fulfils the conditions for re-appointment as an Independent Director as specified in the Act and the Listing Regulations and is independent of the management.

Mrs. Ameeta Verma Duggal shall be paid remuneration by way of fee for attending meetings of the Board or Committees thereof or for any other purpose whatsoever as may be decided by the Board, reimbursement of expenses for participating in the Board and other meetings.

A copy of the draft letter of appointment setting out the terms and conditions of appointment of independent directors is available on website of the Company for electronic inspection without any fee by the members.

Brief profile of directors being re-appointed is annexed to this notice and forms an integral part of the Notice

As per regulation 26 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, Mrs. Ameeta Verma Duggal is not a Chairman of Audit Committee/ Stakeholders Relationship & Share Transfer Committee.

Mrs. Ameeta Verma Duggal is a member of Audit Committee and Stakeholders Relationship & Share Transfer Committee of the Company.

Mrs. Ameeta Verma Duggal is interested in the resolution(s) set out in the Notice with regard to their re-appointment. Her relatives may be deemed to be interested in the resolution to the extent of their shareholding interest, if any, in the Company.

Save and except the above, none of the other Directors/ Key Managerial Personnel of the Company/her relatives is, in any way, concerned or interested, financially or otherwise, in the resolution. This statement may also be regarded as an appropriate disclosure under the Act and the Listing Regulations.

In compliance with the provisions of Section 149 read with Schedule IV of the Act and applicable provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board recommends the Special Resolution as set out in the Notice for approval by the Members of the Company.

Item No. 5:

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company, pursuant to the provisions of Section 161(1) of the Companies Act, 2013 ("the Act") and the Articles of Association of the Company had appointed Ms. Vishaka Beriwal (DIN: 07323616) as an Additional Director of the Company with effect from November 13, 2019.

Pursuant to Section 161(1) of the Act, Ms. Vishaka Beriwal holds office up to the date of the ensuing Annual General Meeting. Ms. Vishaka Beriwal is not disqualified from being appointed as a director in terms of Section 164 of the Act and has given her consent to act as a director.

Details of Ms. Vishaka Beriwal are provided in the "Annexure" to the Notice, pursuant to the provisions of (i) the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and (ii) Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India.

Ms. Vishaka Beriwal is interested in the resolution set out at Item No. 5 of the Notice with regard to her appointment. Relatives of Ms. Vishaka Beriwal may be deemed to be interested in the resolution to the extent of their shareholding, if any, in the Company. Save and except the above, none of the other Directors / Key Managerial Personnel of the Company / their relatives except Mr. Punit Beriwal, Managing Director & Chief Executive Officer of the Company is, in any way, concerned or interested, financially or otherwise, in the resolution. Ms. Vishaka Beriwal is the daughter of Mr. Punit Beriwal. This statement may also be regarded as an appropriate disclosure under the Act and the Listing Regulations.

Accordingly, the Board recommends the Ordinary Resolution set forth in Item No. 5 of the Notice for approval of the Members.

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2020

To,

The Members

Vipul Limited

Unit No 201, C-50,

Malviya Nagar,

New Delhi-110017

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Vipul Limited (hereinafter called the "Company"). The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the company's books, papers, minute books, forms and returns filed and other records maintained by the company (as listed in Annexure A) and also the information provided by the company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on March 31, 2020, complied with the laws listed hereunder and also that the company has proper board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the company for the financial year ended on March 31, 2020 according to the provisions of:

MANAGEMENT DISCUSSION & ANALYSIS REPORT

OUTLOOK & OVERVIEW OF THE ECONOMY

The global economies are facing a synchronized slowdown, resulting from a variety of factors affecting the world. The outbreak of Coronavirus 2019 (COVID19) has globally disrupted people's lives, interrupted businesses and jeopardized decades of development progress. According to The World Economic Outlook (WEO) update, global economic growth has been downgraded to 2.4% in 2019, which is its slowest pace since the global financial crisis of 2008. The decline in growth is the outcome of rising trade tensions between large economies, rising uncertainty surrounding trade and geopolitical issues; along with individual macroeconomic problems such as low productivity growth in emerging economies and aging population in advanced economies. To add to the existing issues, the pandemic outbreak has worsened the economic environment. With considerable uncertainty around the world due to the pandemic, its macroeconomic fallout, and the associated impact on financial and commodity markets, the World Economic Outlook has estimated global growth to decline by 5.2% in 2020.

In China, the containment efforts such as quarantine and widespread restrictions on travel, have resulted in unplanned delays in restarting factories after the Lunar New Year holiday and sharp cutbacks in many service sector activities. With the existing slowdown visible across the globe, the pandemic is expected to have severe consequences on the world economy leading to lay-offs, reduction in capex by companies and delay in discretionary purchases. The economic activity in U.S. and Eurozone economies is expected to fall sharply as these economies undertake measures to contain the outbreak.

The Indian economy decelerated sharply in the fourth quarter at 3.1%, lowest in almost 17 years, after growing at 4.1% in Q3 FY20. As per the Central Statistics Office (CSO), GDP growth for FY20 stood at an 11-year low of 4.2% lower than the government projection of 5.0% in both first and second advance estimates. The country's fiscal deficit worsened to 4.59% of GDP, much beyond the targeted 3.8% of GDP and expected to worsen further with the dip in tax collection and revenue shortage due to the subsequent effects of lockdown on the economy. The core sector contracted by a record 38% in April as the lockdown hit all eight infrastructure sectors. According to the CSO, country's factory output growth contracted to 0.7% in FY20, as against expansion of 3.8% in FY19. Consumer durables output, an indicator of urban demand, contracted by 8.4% in FY20, compared with a growth of 5.5% in FY19.

According to the Asian Development Bank, India's GDP growth is projected to contract by 4.0% in FY2021 before recovering sharply to 6.2% in FY2022, on the assumption of recovery from the pandemic in the second half of 2020. With the lockdown scenario, consumption and investments are expected to be severely impacted in the first quarter. The gross fixed capital formation is likely to decline with rising risk perception and uncertainty around the pandemic. RBI has cut the repo rate by 40 bps to 4.0% in May 2020, which is the lowest ever and rolled out a range of measures to preserve financial stability and counter the economic impact of COVID19. The central bank has undertaken open market operations and US dollar-rupees swaps to ensure adequate rupee and dollar liquidity during the recent global sell-off. While there is gloom in the near term with the unprecedented situation led by the outbreak, domestic demand will rebound strongly once the pandemic passes and full economic activity resumes. The historical corporate tax cuts introduced in September 2019 are expected to encourage domestic and foreign private investments in the long run. Also, the alternative tax regime introduced in the latest budget is expected to increase household disposable income, thereby boosting private consumption, and potentially expanding the tax base. FY20 inflation stood at 4.8%, below the RBI's upper target limit and is expected to fall further in the current year with declining crude prices and slump in domestic demand, making the rate cuts more favorable. Prices for some manufacturers are likely to increase with supply disruption and rupee depreciation. The country's exports of goods and services are expected to improve once the global economies recover from the shocks of the pandemic. While the long term outlook looks robust for the country, a prolonged COVID19 pandemic would push the global economy into deep recession and further slow Indian growth.

The Indian real estate sector has been trying to get back on its feet and come to terms with multiple reforms and changes brought in the sector in the last few years. While it was a tough task for the sector to align itself with these new regulations, the measures have been instrumental to bring transparency, accountability and fiscal discipline over the last few years.

Prior to COVID19, the real estate sector was expected to grow to USD 650 billion and contribute around 13% of India's GDP by 2025 (from around 6-7% in 2017), according to ANAROCK Research.

Over-reliance on NBFC funding led to severe funding issues after the IL&FS default, wherein RBI had asked NBFCs to bring down their exposure to real estate sector. The share of NBFC loans to real estate which plunged to 46% of total credit to real estate sector in 2018-19, and is expected to further comedown.

Current corona virus outbreak is expected to derail the sector's growth momentum in the short term due to its impact on the overall slowing economy. According to industry estimates, 90% of the workforce employed in real estate and construction sector is engaged in the core construction activities, while the rest 10% is involved in other ancillary activities. Since majority of the workers are immigrants, labor shortage could possibly pose a major challenge for the sector post COVID19 lockdown.

While the pandemic outbreak could temporarily disrupt the sector, there are certain green shoots in this adverse situation. The recent liquidity crisis has worsened the situation for smaller players which were anyway finding it difficult to adhere to new norms laid by RERA leading to a new wave of consolidation.. Larger established players with strong access to funding are expected to gain market share. Also, the current situation is expected to open up a lot of business development opportunities for well capitalized developers.

INDUSTRY STRUCTURE AND DEVELOPMENTS

The Indian residential sector has been grappling with subdued demand for the past few years and the recent developments (ongoing impact of NBFC crisis and COVID19) have made things even more difficult for the sector. According to the property research firm Knight Frank, the total sales volume in the top eight cities increased by a modest 1% in CY 2019 to 245,861 units as the sector continued to be impacted by the prolonged crisis in the NBFC sector. While certain measures such as the consecutive rate cuts by the RBI, the reduction of GST rates to 1% for affordable housing and 5% for others and the setting up of an Alternative Investment Fund(AIF) have helped home-buyer sentiments, they've had little impact on the sales for the sector.

COVID-19 has severely hit residential real estate business and the sector has come to a stand still in the short term. While the sector was coming out of the woods after the liquidity crisis initiated by the IL&FS fiasco and subsequent fall outs of various financial institutions, the pandemic outbreak could further impact the sector.

Amidst the current COVID-19 outbreak, the sector is likely to witness major disruptions due to construction delays and financing issues. Also, many prospective customers could consider postponing their decisions either to stay away from the project sites or in the expectations of a price correction. According to ANAROCK Research, new launches could decline by 25%-30% and sales volume could decline by 25%-35% in CY2020.

Well capitalized & established players have gained substantial market share over the years. This consolidation phase is likely to continue amidst the current COVID-19 outbreak and probably accelerate, as we emerge from this pandemic.

Budget 2020 – takeaways

Budget 2020 did not have much to offer to the real estate sector except for extension of benefits for affordable housing by one year and concession in real estate transactions. It had no measures to boost the demand in non-affordable housing category or liquidity in the sector. Some of the key measures include:

Interest deduction benefit on affordable housing

The Government in its attempt to boost affordable housing demand, proposed to extend additional tax benefit of INR 1.5 lakh on interest paid on affordable housing loans by one year till March 2021. The additional deduction is over and above INR 2 lakh which was introduced in the previous year's budget.

Tax holiday for Affordable housing developers

In order to encourage developers to focus on affordable housing projects, the Government extended the date of approval for these projects for availing tax holiday on profit earned by developers by one year till March 2021. The tax holiday which was being provided under section 80-IBA for approved projects during the period from June 1, 2016 to March 31, 2020 has been extended by a year.

Rationalization of capital gains tax on difference between circle rate and transaction rate

Earlier for real estate transactions, if the consideration value was less than circle rate by more than 5%, the difference was considered as income accruing to both the buyer and seller and hence taxable to both. In order

to facilitate real estate transactions and provide relief to the sector, the government increased the limit from 5% to 10%.

New income tax regime for taxpayers

The Government introduced an alternative tax regime and in case an individual moves to the new tax regime, the tax exemption including deduction repayment of principal (for INR 1.50 lakh) and deduction on interest payable on housing loan has to be forgone, which is potentially negative for the sector.

Real estate sector in India is expected to reach a market size of US\$ 1 trillion by 2030 from US\$ 120 billion in 2017 and contribute 13 per cent of the country's GDP by 2025. Retail, hospitality and commercial real estate are also growing significantly, providing the much-needed infrastructure for India's growing needs.

COMPANY STRENGTHS

Promoters and senior management continues to put efforts to focus on Project Planning and Execution for delivering present-day design and quality construction.

The Project management team comprises of experienced, highly qualified experts with vast experience in their functional areas. The team drives the organization through their contribution. The organizational framework has been designed to manage the design, engineering, procurement and execution of concurrent, multi-site projects keeping a focus on delivery of developments of International standards.

OPPORTUNITY: The growth opportunity in the Real Estate Sector is far from over. It will continue to play out over the medium term. Large number of unorganized players have exited the market leaving more opportunities for the serious players.

Consolidation

The Indian real estate sector has been in a consolidation phase from the past few years and picked up pace resulting from several reforms and disruptions in the sector. After the IL&FS default, NBFCs have been mandated by RBI to reduce their exposure to real estate sector, which has created funding issues for smaller real developers who anyway do not have access to bank funding. In such cases, these players face a double whammy – issues in construction funding on one hand and existing deal cancellations due to halt in construction activity on the other hand. This opens up new avenues of growth for organized developers with healthy balance sheets and execution track record to take over the projects of smaller developers at attractive valuations. It allows them to increase their portfolio offering and improve home-buyer confidence. The ongoing consolidation is expected to accelerate further amidst COVID19 and established, well capitalized players stand to gain further market share.

Affordable housing

Affordable housing continues to remain a significant opportunity for players and key focus area of government, as major short supply of housing lies in the economically weak and low-income segments. The government's constant push for affordable housing has shifted the focus from high-end and luxury segments to the affordable segment. According to ANAROCK research, during the past 5 years, the share of launches in the affordable segment across the top 7 cities of India, has risen from 35% in 2013 to 40% in 2019. This share is expected to increase further in the near future owing to subsidies provided by government to promote affordable housing. In Budget 2020, the government announced several measures to boost affordable housing. In its attempt to boost the affordable housing demand, the government has proposed to extend additional tax benefit of INR 1.5 lakh on interest paid on affordable housing loans by one year till March 2021. Also, in order to encourage developers to focus on affordable housing projects, the Government has extended the date of approval for these projects for availing tax holiday on profit earned by developers by one year till March 2021.

Digital Real Estate Sales

With the rapidly evolving marketing landscape, digital marketing tools have emerged as important tools for real estate companies to amplify their sales and reach out to customers globally. With a sharp focus on building consumer experience and connection through digital means, established brands will be ahead of the curve, giving a competitive edge to their business. According to the report 'Real Estate in a Digital Age', around 94% of millennials and 84% baby boomers searched for their future homes online. Social media platforms can be extensively used to promote listings, maintain relationships with existing customers and find new prospects. The

recent lockdown due to COVID19 has forced real estate companies to focus much more on digital marketing and online platforms.

Monetary Easing

The real estate sector performance is closely linked to the country's economic fundamentals and monetary policies. The Reserve Bank of India cut its benchmark repo rate by 250 bps since February 2019 to 4.0%, which is the lowest ever reporate in its attempt to support the slowing economy from further deterioration due to COVID19. Monetary easing initiatives are expected to provide an impetus to housing demand once the economy revives and encourage home buyers and real estate developers.

THREAT: Even as the demand in the Real Estate Sector is increasing gradually, the squeezed financial scenario and NBFC issue has let to major liquidity challenges and increased borrowing costs.

Huge inventory pile up and delayed projects have affected the confidence of residential enduse customers as well as the investor community.

Regulatory Hurdles

Unfavorable changes in government policies and the regulatory environment can adversely impact the performance of the sector. There are substantial procedural delays with regards to land acquisition, land use, project launches and construction approvals. Retrospective policy changes and regulatory bottlenecks may impact profitability and affect the attractiveness of the sector and companies operating within the sector.

Funding

The lending to real estate developers by NBFCs and HFCs fell by almost half to about INR 27,000 crore in FY19, triggered by the IL&FS crisis, according to a report by property consultant JLL. This NBFC crisis has further deteriorated the liquidity situation for smaller developers who had to resort to alternative funding in absence of long term loans from banks. While established developers with lean balance sheets continue to have funding access, many developers are facing significant liquidity pressure.

RISKS AND CONCERNS

Vipul's risk management approach focuses on mitigating the adverse impact of external risks on its business objectives. The framework comprises a combination of centrally issued policies and divisionally-evolved procedures that are regularly reviewed for their alignment with sectoral dynamics and evolving trends.

Industry Cyclicity

The real estate market is inherently a cyclical market and isaffected by macroeconomic conditions, changes in applicable governmental schemes, changes in supply and demand for projects, availability of consumer financing and illiquidity. Your Company has attempted to hedge against the inherent risks through a business model comprising joint ventures, residential platforms, and development management through a pan-India presence. However, any future significant downturn in the industry and the overall investment climate may adversely impact business.

Statutory Approvals

The real estate sector in India is heavily regulated by the central, state and local governments. Real estate developers are required to comply with a number of laws and regulations, including policies and procedures established and implemented by local authorities in relation to land acquisition, transfer of property, registration and use of land. These lawsoften vary from state to state. Several of your Company's projects are in preliminary stages of planning and any delay in obtaining approvals could warrant revised scheduling of project timelines.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company's internal control systems are commensurate with the nature of its business and the size and complexity of its operations. These are routinely tested and verified by Statutory as well as Internal Auditors.

The internal control is supplemented by extensive programme of internal audits, review by Audit Committee and Board of the Company. The system has been designed to ensure that financial and other records are reliable for preparing financial information and for maintaining accountability of assets. All financial and audit control systems are also reviewed by the Audit Committee of the Board of Directors of the Company.

Significant audit observations, if any and follow up actions thereon are reported to the Audit Committee. Further to maintain its objectives and independence, the Internal Auditors reports to the Chairman of the Audit Committee.

4. Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No	Key Audit Matter	Auditor's Response
1	<p>Investment in Subsidiaries/ Joint Ventures and Associates</p> <p>The impairment review of unquoted equity instruments and debt, with a carrying value of Rs. 2367.98 lakhs, is considered to be a risk area due to the size of the balances as well as the judgmental nature of key assumptions, which may be subject to management override. The carrying value of such unquoted equity instruments and debt is at risk of recoverability. The net worth of some of the underlying entities has significantly eroded and does not have projects under development. The estimated recoverable amount is subjective due to the inherent uncertainty involved in forecasting and discounting future cash flows.</p>	<p>Besides obtaining an understanding of Management's processes and controls with regard to testing the impairment of the unquoted equity instruments in loss making subsidiaries and associates. Our procedures included the following:</p> <ul style="list-style-type: none"> • Engaged internal fair valuation experts to challenge management's underlying assumptions and appropriateness of the valuation model used; • Compared the Company's assumptions with comparable benchmarks in relation to key inputs such as long-term growth rates and discount rates; • Assessed the appropriateness of the forecast cash flows within the budgeted period based on their understanding of the business and sector experience; • Considered historical forecasting accuracy, by comparing previously forecasted cash flows to actual results achieved; and • Performed a sensitivity analysis in relation to key assumptions
2	<p>Revenue recognition – accounting for construction contracts</p> <p>There are significant accounting judgements including estimation of costs to complete, determining the stage of completion and the timing of revenue recognition. The Company recognises revenue and profit/loss on the basis of stage of completion based on the proportion of contract costs incurred at balance sheet date, relative to the total estimated costs of the contract at completion. The recognition of revenue and profit/loss therefore rely on estimates in relation to total estimated costs of each contract. Cost contingencies are included in these estimates to take into account specific uncertain risks, or disputed claims against the Company, arising within each contract. These contingencies are reviewed by the Management on a regular basis throughout the contract life and adjusted where appropriate.</p>	<p>In responding to the identified key audit matter, we completed the following audit procedures:</p> <ul style="list-style-type: none"> • Testing of the design and implementation of controls involved for the determination of the estimates used as well as their operating effectiveness; • Testing the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard; • Testing a sample of contracts for appropriate identification of performance obligations; • For the sample selected, reviewing for change orders and the impact on the estimated costs to complete; • Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings

Other Information

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis; Board's Report including Annexures to Board Report, Business Responsibility Report, Corporate Governance and Shareholders' Information but does not include the standalone financial statements and our auditor's report thereon. The aforesaid documents are expected to be made available to us after the date of this auditor's report.

6. Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.
7. In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.
8. When we read the aforesaid documents, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Standalone Ind AS Financial Statements

9. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.
10. In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
11. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Ind AS Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.
13. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtained an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Companies Act, 2013,

we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matters or when we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
17. Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Report on Other Legal and Regulatory Requirements

18. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure-A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account
- (d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) The matters described in the Emphasis of Matter paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
- (f) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act;
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

The Company has paid/provided the managerial remuneration to the Managing Director which is not in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V of the Act (i.e. the managerial remuneration paid/provided, as aforesaid, is in excess of the prescribed limits). This was approved by the shareholders vide a special resolution passed in the annual general meeting held on 21st September, 2020. The Company has also made default of repayment of loans taken from various lenders being banks/public financial institutions and was in default at the time of such payments/ provision. As required under 197(3) of the Act, 2013, prior approval from such institutions have not been taken.

- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 39 of the standalone Ind AS financial statements.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE- B TO THE INDEPENDENT AUDITOR'S REPORT

To the Members of VIPUL LIMITED

[Referred to in paragraph 19 (f) of the Independent Auditor's Report of even date]

Report on the Internal Financial Control under Clause (i) of Sub –sections 3 of Section 143 of the Companies Act, 2013("the Act")

1. We have audited the internal financial controls over financial reporting of VIPUL LIMITED ("the Company") as of 31st March, 2020 in conjunction with our audit of The Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Control

2. The Company's management is responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the "Guidance Note" and the Standard on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material Weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedure selected depends on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statement, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

6. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that
 - 1) Pertain to the maintenance of the records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - 2) provide reasonable assurance that the transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts

and expenditure of the Company are being made only in accordance with authorization of management and directors of company; and

- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Control over Financial Reporting

7. Because of inherent limitation of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to errors or fraud may occur and not be detected. Also, projections of any evaluations of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respect, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based on the internal control over financial reporting criteria established by the Company considering, the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting, issued by ICAI.

28. NOTES TO THE FINANCIAL STATEMENTS

A. Corporate Information

Vipul Limited (the Company) is a public limited company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE). The registered office of the Company is situated at Unit No. 201, C 50, Malviya Nagar, New Delhi -110017 and the corporate office is situated at Vipul Techsquare, Golf Course Road, Sector-43, Gurugram-122009 (Haryana).

The principle business activity of the company is Real Estate Development. The Company has its presence in the states of Haryana, Odisha and Punjab.

B. Significant Accounting Policies

1. Basis of preparation of financial statements

The financial statements (Separate financial statements) have been prepared on accrual basis in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and the provisions of the Companies Act, 2013. The financial statements have been prepared on historical cost basis, except for certain financial assets and liabilities which have been measured at fair value (refer accounting policy regarding financial instruments).

The Ind AS financial statements are presented in INR which is the Company's functional and presentation currency and all values are rounded to the nearest lakhs, except when otherwise indicated. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2. Use of estimates and management judgements

The preparation of financial statement in conformity with the recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions that affect the reported balances of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a. Key estimates and assumptions :

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

i) Revenue recognition, contract costs and valuation of trade receivables

Revenue from contract with customer of its real estate projects is recognized, when control of the goods or services are transferred to the customer, at an amount that reflects the consideration to which the Company is expected to be entitled in exchange for those goods or services. The Company transfer control of a good and service over time. Accordingly, revenue is measured by reference to the stage of the projects and contracts determined based on the proportion of contract costs incurred for work performed to date bear to the estimated total contract costs. Hence method requires the Company to estimate the costs expended to date as a proportion of the total costs to be expended. Significant assumptions are required in determining the stage

of completion, the extent of the contract cost incurred the estimated total contract revenue and contract cost and the recoverability of the contracts. These estimates are based on events existing at the end of each reporting date.

ii) Estimation of net realizable value for inventory

Inventory is stated at the lower of cost and net realizable value (NRV).

NRV for completed inventory is assessed by reference to market conditions and prices existing at the reporting date and is determined by the Company, based on comparable transactions identified by the Company for inventories in the same geographical market serving the same real estate segment.

NRV in respect of inventory under construction is assessed with reference to market prices at the reporting date for similar completed property, less estimated costs to complete construction and an estimate of the time value of money to the date of completion.

iii) Useful lives of property, plant and equipment

As described in the significant accounting policies, the Company reviews the estimated useful lives of property, plant and equipment at the end of each reporting period.

iv) Actuarial Valuation

The determination of Company's liability towards defined benefit obligation to employees is made through independent actuarial valuation including determination of amounts to be recognised in the Statement of Profit and Loss and in other comprehensive income. Such valuation depend upon assumptions determined after taking into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market. Information about such valuation is provided in notes to the financial statements.

3. Summary of significant accounting policies

a. Property, Plant and Equipment

The cost of an item of property, plant and equipment comprises of its purchase price, any costs directly attributable to its acquisition and an initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which the company incurs when the item is acquired. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately.

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the Property, plant and equipment is derecognized.

b. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment loss.

The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period.

c. Revenue Recognition-

Revenue is recognized as follows:

- I. The Company recognises revenue, on execution of agreement or letter of allotment and when control of the goods or services are transferred to the customer, at an amount that reflects the consideration (i.e. the transaction price) to which the Company is expected to be entitled in exchange for those goods or services excluding any amount received on behalf of third party (such as indirect taxes). An asset created by the Company's performance does not have an alternate use and as per the terms of the contract, the Company has an enforceable right to payment for performance completed till date. Hence the Company transfers control of a good or service over time and, therefore, satisfies a performance obligation and recognises revenue over time. The Company recognises revenue at the transaction price which is determined on the basis of agreement or letter of allotment entered into with the customer. The Company recognises revenue for performance obligation satisfied over time only if it can reasonably measure its progress towards complete satisfaction of the performance obligation. The Company uses cost based input method for measuring progress for performance obligation satisfied over time. Under this method, the Company recognises revenue in proportion to the actual project cost incurred (excluding land cost) as against the total estimated project cost (excluding land cost). The management reviews and revises its measure of progress periodically and are considered as change in estimates and accordingly, the effect of such changes in estimates is recognised prospectively in the period in which such changes are determined.

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract. A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

- II. Claims, interest and transfer fees from customers are recognized on acceptance of the same.
- III. Income from interest is accounted for on time proportion basis taking into account the amount outstanding and the applicable rate of interest.
- IV. Revenue from operation includes various charges recovered from the customers which is recognized on accrual basis having regard to timing and nature of service provided.

d. Borrowing Costs

Borrowing costs attributable to the acquisition or construction of a qualifying asset are carried as part of the cost of such asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are expensed in the year they are incurred.

e. Depreciation and amortization

Depreciation on property, plant and equipment is calculated using the written down value method to allocate their cost, net of their residual values, over the useful lives of assets estimated by the management and as given in schedule II of The Companies Act, 2013 except, life of furniture and

fixtures has been estimated as 15 years against 10 years as per Schedule II of the Companies Act, 2013. Depreciation for assets purchased / sold during a period is proportionately charged.

Softwares are amortized over the estimated useful life of 5 years.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate

f. Inventories

- i. Constructed properties, shown as work in progress, includes the cost of land (including development rights and land under agreements to purchase), internal development costs, external development costs, construction costs, overheads, borrowing costs, construction materials and is valued at lower of cost/ estimated cost and net realizable value.
- ii. On completion of projects, unsold stocks are transferred to project finished stock under the head "Inventory" and the same is carried at cost or net realizable value, whichever is less.
- iii. Finished Goods – Plots: Valued at lower of cost and net realizable value

g. Retirement Benefits

a. Short Term employee benefit

The employees of the company are entitled to compensate absences which are non-accumulating in nature. Expenses of such compensated absences are recognized in the period in which such absences occur.

b. Long Term and Post-employment benefits

- a) The employees' gratuity fund scheme managed by Life Insurance Corporation of India is a defined benefit plan. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method.
- b) Retirement benefits in the form of Provident Fund and Superannuation/ Pension schemes are charged to the Profit & Loss Statement in the year when the contributions to the respective funds are due.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

i. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation if the company has a present obligation as a result of past event and the amount of obligation can be reliably estimated.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Possible future or present obligations that may but will probably not require outflow of resources or where the same can not be reliably estimated is disclosed as contingent liability in the financial statement.

Where an inflow of economic benefits is probable, a brief description of the nature of the contingent assets at the end of reporting period, and, where practicable, an estimate of their financial effect is disclosed.

j. Taxes on Income

Tax expense comprises both current and deferred tax. Current tax is determined in respect of taxable income for the year based on applicable tax rates and laws.

Deferred tax Asset/liability is recognized, subject to consideration of prudence, on timing differences being the differences between taxable incomes and accounting income that originates in one year and is capable of reversal in one or more subsequent year and measured using tax rates and laws that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax assets for carry forward business loss are recognized only if there is virtual certainty supported by convincing evidence that future taxable income will be available against which such deferred tax asset can be realized.

Deferred tax assets/liabilities are reviewed at each Balance Sheet date to reassess their reliability

k. Foreign Currency Transactions

Foreign currency denominated monetary assets and liabilities are translated at exchange rates in effect at Balance Sheet date. The gains or losses resulting from such translation are included in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency are translated at the exchange rate prevalent at the date of transactions.

Revenue, expense and cash flow items denominated in foreign currencies are translated using the exchange rate in effect on the date of transaction.

l. Segment Reporting

The company has identified that its operating activity is a single primary business segment viz. Real Estate Development & Services carried out in India. Accordingly, whole of India has been considered as one geographical segment

m. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

n. Cash & Cash Equivalents

Cash and cash equivalents comprise cash & cash on deposit with banks and corporations. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less, which are subject to an insignificant risk of changes in value and that are readily convertible to known amounts of cash to be cash equivalents.

o. Financial Instruments

• Financial Instruments - Initial recognition and measurement

Financial assets and financial liabilities are recognized in the company's statement of financial position when the company becomes a party to the contractual provisions of the instrument. The company determines the classification of its financial assets and liabilities at initial recognition. All financial assets are recognized initially at fair value plus, in the case of financial assets

not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

- **Financial assets –Subsequent measurement**

The Subsequent measurement of financial assets depends on their classification which is as follows:

- Financial assets at fair value through profit or loss: Financial assets at fair value through profit and loss include financial assets held for sale in the near term and those designated upon initial recognition at fair value through profit or loss.
- Financial assets measured at amortized cost: Loans and receivables are non derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowance for estimated irrecoverable amounts based on the ageing of the receivables balance and historical experience. Additionally, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. Individual trade receivables are written off when management deems them not to be collectible.
- Financial assets at fair value through OCI

All equity investments, except investments in subsidiaries, joint ventures and associates, falling within the scope of Ind AS 109, are measured at fair value through Other Comprehensive Income (OCI). The company makes an irrevocable election on an instrument by instrument basis to present in other comprehensive income subsequent changes in the fair value. The classification is made on initial recognition and is irrevocable. If the company decides to designate an equity instrument at fair value through OCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI.

- **Financial assets –Derecognition**

The company derecognizes a financial asset when the contractual rights to the cash flows from the assets expire or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset. Upon derecognition of equity instruments designated at fair value through OCI, the associated fair value changes of that equity instrument is transferred from OCI to Retained Earnings.

- **Investment in subsidiaries, joint ventures and associates**

Investments made by the company in subsidiaries, joint ventures and associates are measured at Cost. Impairment recognized, if any is reduced from the carrying value.

- **Financial liabilities –**

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, or as payables, as appropriate.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

Subsequent measurement

The Subsequent measurement of financial liabilities depends on their classification which is as follows:

- Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading, if any.

- Financial liabilities measured at amortized cost

Interest bearing loans and borrowings including debentures issued by the company are subsequently measured at amortized cost using the effective interest rate method (EIR). Amortized cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are integral part of the EIR. The EIR amortized is included in finance costs in the statement of profit and loss.

- Financial liabilities –Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or expires.

- Fair Value measurement

The company measures certain financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on presumption that the transaction to sell the asset or transfer the liability takes place either:

- o In the principal market for the assets or liability or
- o In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to the company. The company uses valuation technique that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, or
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

p. Impairment of non financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CG exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Impairment losses, including impairment on inventories, are recognized in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

q. Impairment of financial assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses, if the credit risk on the financial asset has increased significantly since initial recognition.

r. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle; -
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The real estate development projects undertaken by the Company generally run over a period ranging upto 5 years. Operating assets and liabilities relating to such projects are classified as current based on an operating cycle of upto 5 years. Borrowings in connection with such projects are classified as short term (i.e current) since they are payable over the term of the respective projects. Assets and liabilities, other than those discussed above, are classified as current to the extent they are expected to be realized / are contractually repayable within 12 months from the Balance sheet date and as non-current, in other cases. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

s. Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are de-recognised as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

t. Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is due within 12 months after reporting period. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

4. Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include trade and other receivables, cash and cash equivalents and loans and advances and refundable deposits that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a financial risk committee that advises on financial risks and the appropriate financial risk governance framework for the Company. The financial risk committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

A. Market risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as equity price risk and commodity/ real estate risk. Financial instruments affected by market risk include loans and borrowings and refundable deposits.

The sensitivity analysis in the following sections relate to the position as at March 31, 2020 and March 31, 2019. The sensitivity analyses have been prepared on the basis that the amount of net debt and the ratio of fixed to floating interest rates of the debt. The analysis excludes the impact of movements in market variables on: the carrying values of gratuity and other post retirement obligations; provisions.

The below assumption has been made in calculating the sensitivity analysis:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2020 and March 31, 2019.

a. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. The Company does not enter into any interest rate swaps.

b. Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Increase / decrease in	Effect on profit before tax*
March 31, 2020		
INR	Increase by 1%	Reduce by 183,394,409
INR	Decrease by 1%	Increase by 183,394,409
March 31, 2019		
INR	Increase by 1%	Reduce by 20,117,983
INR	Decrease by 1%	Increase by 20,117,983

*determined on gross basis i.e. without considering inventorisation of such borrowing cost.

B. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including refundable joint development deposits, security deposits, loans to employees and other financial instruments.

Trade receivables

- Receivables resulting from sale of properties: Customer credit risk is managed by requiring customers to pay advances before transfer of ownership, therefore, substantially eliminating the Company's credit risk in this respect.
- Receivables resulting from other than sale of properties: Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. The impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security. The Company's credit period generally ranges from 30-60 days.

Financial Instrument and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty.

Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Company's Finance Committee. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through a counterparty's potential failure to make payments. The Company's maximum exposure to credit risk for the components of the statement of financial position at 31 March 2020 and 2019 is the carrying amounts.

C. Liquidity risk

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank deposits and loans. The table below summarizes the maturity profile of the Company's financial liabilities based on Contractual undiscounted payments:

Particuolars	On demand Rs. in Lakhs	Upto 1 year Rs. in Lakhs	1 to 5 years Rs. in Lakhs	>5 years Rs. in Lakhs	Total Rs. in Lakhs
Year ended March 31, 2020

D. Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximize the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables (excluding Liability under JDA), less cash and cash equivalents.

43. PNB Housing Finance Ltd has initiated legal proceedings against the company under the provisions of Section 13 (2) and 13(4) of the SARFAESI Act and under Rule 8 of Security Interest (enforcement) Rules, 2002. The Company is duly contesting the matter disputing the notice(s) issued by them in this regard and the matter is presently, sub-judice.

Due to overall sluggishness in the Indian economy and slump in the Real Estate Industry, there have been delays in the financial covenants in payment of principle as well as interest to certain secured lenders in the current period. The Company is in the process of regularizing such delays.

44. In light of heightened concern on spread of COVID-19 pandemic, Governments of India announced Lockdown to contain the spread of disease. As a result of the pandemic, the global economy is projected to contract sharply by Negative 3% in 2020, much worse than during the 2008-09 financial crisis.

The Company's offices and project sites remained shut due to lockdown announced by Central and State Governments w.e.f. March 23, 2020. As per regulatory orders issued from time to time, the Company saw partial resumption in May 2020, all our offices and project sites got operational in line with respective state rules and regulations. However, we also started witnessing labor migration issues across all states. This had an adverse impact on our operations at project sites. During April and May months we have seen sharp dip in sales but from June onwards we have seen marginal rise in inquiries and sales numbers has improved accordingly. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration.

45. Solitaire Capital India, a shareholder of Vipul SEZ Developers Pvt. Ltd., a subsidiary company of the Company along with Solitaire Ventures Pte. Ltd moved the Hon'ble Supreme Court of India in terms of Section 11(5) and (6) of the Arbitration and Conciliation Act, 1996 and accordingly the Arbitral Tribunal

stood constituted. The Parties namely Solitaire Ventures Pte. Ltd and Solitaire Capital India are treated to be Claimants therein and Vipul Group consisting of eight companies Vipul Ltd., Vipul SEZ Developers Pvt. Ltd., PKB Buildcon Pvt. Ltd., PKBK Buildwell Pvt. Ltd., KST Buildwell Pvt. Ltd., Entrepreneurs (Calcutta) Pvt. Ltd., URR Housing and Construction Pvt. Ltd. & Ritwiz Builders & Developers Pvt. Ltd. as well as Silverstone Developers Pvt. Ltd. and Karamchand Realtech Pvt. Ltd. are treated to be Respondents.

All the Parties have filed their respective Claims/Counter Claims against each other. The Arbitral Proceedings are continuing.

Solitaire Capital India, along with Solitaire Ventures Pte. Ltd have filed a petition before the Hon'ble High court of Delhi at New Delhi and also Silverstone Developers Pvt Ltd have filed three petitions in Hon'ble Delhi High court for seeking interim relief and the Hon'ble High court vide its order dated 10th March 2015 has disposed of all three petitions as under:

"Under these circumstances, all the three petitions are accordingly disposed of, with the direction that the interim order passed on 3rd December,2012 and modification order dated 27th September, 2013 in OMP NO 1123/2012 shall continue during the pendency of arbitral proceedings unless the said order is modified by the Arbitral Tribunal in respect of 132.568 acres (as 6 acres of land already sold with the consent of the parties) as per revised Project Land as per the MOU/Agreement dated 13th September,2008."

Effect, if any, required to be made in the financial statement of the company in this respect shall be made on finality of the matter.

Solitaire Capital India & Anr. (Appellant) filed a Company Petition No.94/2019 under Section 241 and 242 of the Companies Act, 2013 against Vipul Sez Developers Pvt. Ltd. & Anr before Hon'ble NCLT, New Delhi Bench, again seeking the same interim prayers which were rejected earlier on three occasions. Respondents namely Vipul Limited & others responded to the said Company Petition by filing Application being C.A. No. -422/C-III/ND/201 u/s 8 of Arbitration & Conciliation Act questioning the Jurisdiction of Hon'ble NCLT as the Parties are before Arbitral Tribunal and seized of the dispute/matter. Hon'ble NCLT despite observing and recording that the parties are before the Arbitral Tribunal passed a conditional order dated 09.08.2019 granting injunction on the piece of land admeasuring 7 acres purchased vide sale deed no. 3543 dated 12.05.2006 till the decision on the application filed by the Appellant u/s 17 of Arbitration & Conciliation Act or Decision of Hon'ble NCLT in relation to Application being C.A. INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

VIPUL LIMITED

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

1. We have audited the accompanying consolidated financial statements of **VIPUL LIMITED** (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its associates comprising of the Consolidated Balance Sheet as at 31st March, 2020, the Consolidated Statement of Profit and Loss including other comprehensive Income, the Consolidated Cash Flow Statement, the Consolidated Statement of Changes in Equity, for the year then ended, including a summary of significant accounting policies and other explanatory information (herein after referred to as "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors on separate financial statements of the subsidiaries and associates referred to in the Other Matters paragraph and except for the possible effects of the matters described in the "Basis for Qualified Opinion" paragraph below, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Group as at March 31, 2020, of consolidated losses (including Other Comprehensive Loss), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

2. This Statement does not include the financial information of one subsidiary along with its four subsidiaries while the Statement of Consolidated Assets and Liabilities and Consolidated Statement of Cash Flow for the year ended 31st March 2020 and 31st March 2019 includes the consolidated Balance Sheet of the said subsidiary for the year ended 31st March, 2018. The consolidated financial statements for the year ended 31st March, 2020 and 31st March 2019 of the said subsidiary is not available with the Parent's Management. The auditor who had audited the consolidated financial statements of the said subsidiary had expressed a modified opinion on the consolidated financial statements for the year ended March 31, 2018. In the absence of audited consolidated financial statements for the year ended March 31, 2019 and March 31, 2020 we are unable to comment on whether the circumstances which resulted in the modified opinion still exist.
3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained along with the consideration of audit reports of the other auditors referred to in sub paragraph (a) of the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Sr. No	Key Audit Matter	Auditor's Response
1	<p>Investment in Subsidiaries/ Joint Ventures and Associates</p> <p>The impairment review of unquoted equity instruments and debt, with a carrying value of Rs. 2367.98 lakhs, is considered to be a risk area due to the size of the balances as well as the judgmental nature of key assumptions, which may be subject to management override. The carrying value of such unquoted equity instruments and debt is at risk of recoverability. The net worth of some of the underlying entities has significantly eroded and does not have projects under development. The estimated recoverable amount is subjective due to the inherent uncertainty involved in forecasting and discounting future cash flows.</p>	<p>Besides obtaining an understanding of Management's processes and controls with regard to testing the impairment of the unquoted equity instruments in loss making subsidiaries and associates. Our procedures included the following:</p> <ul style="list-style-type: none"> • Engaged internal fair valuation experts to challenge management's underlying assumptions and appropriateness of the valuation model used; • Compared the Company's assumptions with comparable benchmarks in relation to key inputs such as long-term growth rates and discount rates; • Assessed the appropriateness of the forecast cash flows within the budgeted period based on their understanding of the business and sector experience; • Considered historical forecasting accuracy, by comparing previously forecasted cash flows to actual results achieved; and • Performed a sensitivity analysis in relation to key assumptions
2	<p>Revenue recognition – accounting for construction contracts</p> <p>There are significant accounting judgements including estimation of costs to complete, determining the stage of completion and the timing of revenue recognition. The Company recognises revenue and profit/loss on the basis of stage of completion based on the proportion of contract costs incurred at balance sheet date, relative to the total estimated costs of the contract at completion. The recognition of revenue and profit/loss therefore rely on estimates in relation to total estimated costs of each contract. Cost contingencies are included in these estimates to take into account specific uncertain risks, or disputed claims against the Company, arising within each contract. These contingencies are reviewed by the Management on a regular basis throughout the contract life and adjusted where appropriate.</p>	<p>In responding to the identified key audit matter, we completed the following audit procedures:</p> <ul style="list-style-type: none"> • Testing of the design and implementation of controls involved for the determination of the estimates used as well as their operating effectiveness; • Testing the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard; • Testing a sample of contracts for appropriate identification of performance obligations; • For the sample selected, reviewing for change orders and the impact on the estimated costs to complete; • Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings

Emphasis of Matter

5. We draw attention to the following matters included in the Notes to the consolidated financial statements:
- Note No. 40 to the financial statements which state that PNB Housing Finance Ltd has initiated legal proceedings against the company which is being contested by the Company and the matter is currently sub-judice. It also states that there have been breaches in repayment of loans and the measures initiated by the Company to address these.
 - Note No. 43 which relates to various claims and counter claims pending before the Arbitral Tribunal.
 - Note No 50 which states that certain balances under Loans and Advances and Trade Receivables are subject to confirmations.
 - In one subsidiary and one associate company not audited by us and whose audit reports for financial year ending 31st March 2020 has been provided to us, the concerned auditors have emphasized in their respective audit reports that the entities have Capital Work in Progress consisting of projects under implementation and there is no progress in development activities of these projects as they have been kept on hold. (Refer Note 47)
 - In one subsidiary not audited by us and whose audit report for financial year ending 31st March 2020 has been provided to us, the concerned auditor has stated in his audit report that the subsidiary has incurred net cash losses during the current year and the previous year. Consequently, the Company has not recognised Deferred Tax Assets for the financial year 2019-2020. However, the management is of the opinion that the Company will have sufficient amount of profit in the future years to recover the Deferred Tax Asset amounting to Rs. 1031.10 lakhs which have been recognized up to 31.03.2019. (Refer Note 48)

Our opinion is not modified in respect of these matters.

Material uncertainty relating to Going Concern

6. In seven subsidiary companies not audited by us and whose audit reports for financial year ending 31st March 2020 has been provided to us, the concerned auditors have stated in their respective audit reports that the respective subsidiaries have been incurring losses and their networth has been completely eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the subsidiary's ability to continue as a going concern. However, the financial statements of the Company have been prepared on a going concern basis for the reasons mentioned in Note 49 to the consolidated financial statements.

Our opinion is not modified in respect of this matter.

Other Information

7. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis; Board's Report including Annexures to Board Report, Business Responsibility Report, Corporate Governance and Shareholders' Information but does not include the consolidated financial statements and our auditor's report thereon. The aforesaid documents are expected to be made available to us after the date of this auditor's report.
8. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
9. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

10. When we read the aforesaid documents, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Consolidated AS Financial Statements

11. The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and statement of changes in equity of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with Rules issued thereunder. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and of its associates for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.
12. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group including its associates are responsible for assessing the ability of the Group and its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so
13. The respective Board of Directors of the companies included in the Group and of its associates are responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

14. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
15. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtained an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group and its associates which are companies incorporated in India have adequate internal financial controls system in place and the

operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
16. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
17. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
18. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matters or when we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
19. Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Other Matters

- 18 (a) We did not audit the financial statements of thirteen subsidiaries included in the consolidated financial results, whose financial statements reflect total assets of Rs.25,720.73 lakhs as at March 31, 2020, total revenues of Rs.1563.09 lakhs, total net loss of Rs.691.65 lakhs and total comprehensive loss of

Rs.692.06 lakhs and cash flows (net) of Rs.(0.11 lakhs) for the year ended on that date as considered in the financial results. The consolidated financial result also includes the Group's share of net profit of Rs.4.78 lakhs and total comprehensive income of Rs.4.78 lakhs for the year ended March 31, 2020 as considered in the consolidated financial results in respect of five associates, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on these consolidated financial results, in so far as it relates to the amount and disclosures included in respect of these subsidiaries and associates is based solely on the reports of their respective auditors and the procedures performed by us as stated in paragraph 3 above.

Our Opinion on the Consolidated Ind AS financial statements above, and our report on other Legal and Regulatory Requirements below is not modified in respect of above matters.

Report on Other Legal and Regulatory Requirements

18. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion proper books of accounts as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) Except for the effects of the matters stated in the Basis of Qualified Opinion paragraph above, in our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant Rules issued thereunder.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2020 taken on record by the Board of Directors of the Holding Company and the reports of the other statutory auditors of its subsidiary companies and associate companies, none of the directors of the Group's companies and associate companies incorporated in India is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) The matters described in the Emphasis of Matter paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
- (g) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate report in "Annexure A", which is based on the auditor's report of the parent, subsidiary companies and associates, which are companies incorporated in India and
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

The Holding Company has paid/provided the managerial remuneration to the Managing Director which is not in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V of the Act (i.e. the managerial remuneration paid/provided, as aforesaid, is in excess of the prescribed limits). This was approved by the shareholders vide a special resolution passed in the annual general meeting held on 21st September, 2020. The Company has also made default of repayment of loans taken from various lenders being banks/public financial institutions and was in

default at the time of such payments/ provision. As required under 197(3) of the Act, 2013, prior approval from such lenders has not been obtained.

- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its associates – Refer Note 36 to the consolidated financial statements.
 - ii. The Group and its associates did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiary companies and associate companies incorporated in India.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

To the members of

VIPUL LIMITED

[Referred to in paragraph 18(f) of the Auditors' Report of even date]

Report on the Internal Financial Control under Clause (i) of Sub –section 3 of Section 143 of the Companies Act, 2013("the Act")

1. We have audited the internal financial controls over financial reporting of VIPUL LIMITED (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its associates, which are companies incorporated in India as of 31st March 2020 in conjunction with our audit of the financial statements of the Holding Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the of the Holding Company, its subsidiary companies and its associates, which are companies incorporated in India, are responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company, its subsidiaries and associates which are companies incorporated in India based on our audit. We conducted our audit in accordance with the "Guidance Note" and the Standard on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedure selected depends on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statement, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies and its associates, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting the Company, its subsidiary companies and its associates which are companies incorporated in India

Meaning of Internal Financial Control over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statement for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that
 - 1) pertain to the maintenance of the records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- 2) provide reasonable assurance that the transactions are recorded as necessary to permit preparation of financial statement in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorization of management and directors of company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statement.

Inherent Limitations of Internal Financial Control over Financial Reporting

7. Because of inherent limitation of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to errors or fraud may occur and not be detected. Also, projections of any evaluations of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of the other auditors referred to in the Other Matters paragraph below, the Holding Company its subsidiary companies and its associates, which are companies incorporated in India, have, in all material respect, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting, issued by ICAI.

Other Matters

9. Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to thirteen subsidiary companies, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

Note No. 33

A. Group Overview

Vipul Limited ("the Company") including its subsidiaries and interests in its Associates (collectively referred to as "the Group") is a public limited company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE). The registered office of the Company is situated at Unit No. 201, C 50, Malviya Nagar, New Delhi -110017 and the corporate office is situated at Vipul Techsquare, Golf Course Road, Sector-43, Gurugram-122009 (Haryana).

The principle business activity of the company is Real Estate Development. The Company has its presence in the states of Haryana, Odisha and Punjab.

B. Significant Accounting Policies

1. Basis of preparation of financial statements

The Financial Statements of the subsidiaries used in the consolidation are drawn upto the same reporting date as that of the company, i.e. March 31, 2020.

The Consolidated Financial Statements of the Group have been prepared on accrual basis in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and the provisions of the Companies Act, 2013. The financial statements have been prepared on historical cost basis, except for certain financial assets and liabilities which have been measured at fair value (refer accounting policy regarding financial instruments).

The Ind AS financial statements are presented in INR which is the group's functional and presentation currency and all values are rounded to the nearest lakhs, except when otherwise indicated. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2. Use of estimates and management judgements

The preparation of financial statement in conformity with the recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions that affect the reported balances of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a. Key estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

i) Revenue recognition, contract costs and valuation of trade receivables

The group recognized revenue from contract with customer of its real estate projects i, when control of the goods or services are transferred to the customer, at an amount that reflects the consideration to which the group is expected to be entitled in exchange for those goods or services. The group transfer control of a good and service over time. Accordingly is measured by reference to the stage of the projects and contracts determined based on the proportion of contract costs incurred for work performed to date bear to the estimated total contract costs. Hence method requires the group to estimate the costs expended to date as a proportion of the total costs to be expended. Significant assumptions are required in determining the stage of completion, the extent of the contract cost incurred, the estimated total contract revenue and contract cost and the recoverability of the contracts. These estimates are based on events existing at the end of each reporting date.

ii) Estimation of net realizable value for inventory

Inventory is stated at the lower of cost and net realizable value (NRV).

NRV for completed inventory is assessed by reference to market conditions and prices existing at the reporting date and is determined, based on comparable transactions identified by the Group for inventories in the same geographical market serving the same real estate segment.

NRV in respect of inventory under construction is assessed with reference to market prices at the reporting date for similar completed property, less estimated costs to complete construction and an estimate of the time value of money to the date of completion.

iii) Useful lives of property, plant and equipment

As described in the significant accounting policies, the Group reviews the estimated useful lives of property, plant and equipment at the end of each reporting period.

iv) Actuarial Valuation

The determination of Group's liability towards defined benefit obligation to employees is made through independent actuarial valuation including determination of amounts to be recognised in the Statement of Profit and Loss and in other comprehensive income. Such valuation depend upon assumptions determined after taking into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market. Information about such valuation is provided in notes to the financial statements.

3. Summary of significant accounting policies

a. Principles of consolidation

The Consolidated Financial Statements have been prepared on the basis of Indian Accounting Standard-110 on "Consolidated Financial Statements" read with the following assumptions:

- The financial statements of the parent company and its subsidiaries have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-Group balances and inter Group transactions.
- The consolidated financial statement are prepared by adopting uniform accounting policies for like transactions and other events in similar circumstances and are presented to the

extent possible, in the same manner as the parent company's separate financial statement unless stated otherwise.

- The difference between the costs of investments in the subsidiaries, over the net assets at the time of acquisition of shares in the subsidiaries is recognized in the Financial Statements as Goodwill or Capital Reserve as the case may be.
- Goodwill arising, if any, out of consolidation is not being amortized.
- Minority Interest share of Net Profit/Loss of Consolidated Subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to the shareholders of the Company.
- Minority Interest's share of Net Assets of Consolidated Subsidiaries is identified and presented in the Consolidated Balance Sheet separately from liabilities and the equity of the Company's Shareholders.
- Investment in associate are accounted for using equity method as per Ind AS 28 - Investment in Associates and Joint Ventures. Accordingly, the post-acquisition share of profit / loss of the associate company (the loss being restricted to the cost of investment) has been added to / deducted from the cost of investments. The excess of cost to the Company of its investment in the associates, over and above the Company's share of net assets in the associate, at the time of acquisition of share, is described as goodwill. On the other hand, where the share of net assets in the associate as on the date of investment, is in excess of cost of investments of the Company, it is described as Capital Reserve. Goodwill or Capital Reserve, as the case may be, is included in the carrying amount of investment.

b. Property, Plant and Equipment

The cost of an item of property, plant and equipment comprises of its purchase price, any costs directly attributable to its acquisition and an initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which the Group incurs when the item is acquired. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately.

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the Property, plant and equipment is derecognized.

c. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment loss.

The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period.

d. Revenue Recognition-

Revenue is recognized as follows:

- I. The Group recognises revenue, on execution of agreement or letter of allotment and when control of the goods or services are transferred to the customer, at an amount that reflects the consideration (i.e. the transaction price) to which the Group is expected to be entitled in exchange for those goods or services excluding any amount received on behalf of third party (such as indirect taxes). An asset created by the Group's performance does not have an alternate use and as per the terms of the contract, the Group has an enforceable right to payment for performance completed till date. Hence the Group transfers control of a good or service over time and, therefore, satisfies a performance obligation and recognises revenue over time. The Group recognises revenue at the transaction price which is determined on the basis of agreement or letter of allotment entered into with the customer. The Group recognises revenue for performance obligation satisfied over time only if it can reasonably measure its progress towards complete satisfaction of the performance obligation. The Group uses cost based input method for measuring progress for performance obligation satisfied over time. Under this method, the Group recognises revenue in proportion to the actual project cost incurred (excluding land cost) as against the total estimated project cost (excluding land cost). The management reviews and revises its measure of progress periodically and are considered as change in estimates and accordingly, the effect of such changes in estimates is recognised prospectively in the period in which such changes are determined.
 - a. A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Group performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.
 - b. A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Group performs under the contract. A receivable represents the Group's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).
- II. Claims, interest and transfer fees from customers are recognized on acceptance of the same.
- III. Income from interest is accounted for on time proportion basis taking into account the amount outstanding and the applicable rate of interest.
- IV. Revenue from operation includes various charges recovered from the customers which is recognized on accrual basis having regard to timing and nature of service provided.

e. Borrowing Costs

Borrowing costs attributable to the acquisition or construction of a qualifying asset are carried as part of the cost of such asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are expensed in the year they are incurred.

f. Depreciation and amortization

Depreciation on property, plant and equipment is calculated using the written down value method to allocate their cost, net of their residual values,

over the useful lives of assets estimated by the management and as given in schedule II of The Companies Act, 2013 except, life of furniture and fixtures has been estimated as 15 years against 10 years as per Schedule II of the Companies Act, 2013. Depreciation for assets purchased / sold during a period is proportionately charged.

Softwares are amortized over the estimated useful life of 5 years.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate

g. Inventories

1. Constructed properties, shown as work in progress, includes the cost of land (including development rights and land under agreements to purchase), internal development costs, external development costs, construction costs, overheads, borrowing costs, construction materials and is valued at lower of cost/ estimated cost and net realizable value.
2. On completion of projects, unsold stocks are transferred to project finished stock under the head "Inventory" and the same is carried at cost or net realizable value, whichever is less.
3. Finished Goods – Plots: Valued at lower of cost and net realizable value

h. Retirement Benefits

a) Short Term employee benefit

The employees of the Group are entitled to compensate absences which are non-accumulating in nature. Expenses of such compensated absences are recognized in the period in which such absences occur.

b) Long Term and Post-employment benefits

- a) The employees' gratuity fund scheme managed by Life Insurance Corporation of India is a defined benefit plan. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method.
- b) Retirement benefits in the form of Provident Fund and Superannuation/ Pension schemes are charged to the Profit & Loss Statement in the year when the contributions to the respective funds are due.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

i. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation if the Group has a present obligation as a result of past event and the amount of obligation can be reliably estimated.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Possible future or present obligations that may but will probably not require outflow of resources or where the same cannot be reliably estimated is disclosed as contingent liability in the financial statement.

Where an inflow of economic benefits is probable, a brief description of the nature of the contingent assets at the end of reporting period, and, where practicable, an estimate of their financial effect is disclosed.

j. Taxes on Income

Tax expense comprises both current and deferred tax. Current tax is determined in respect of taxable income for the year based on applicable tax rates and laws.

Deferred tax Asset/liability is recognized, subject to consideration of prudence, on timing differences being the differences between taxable incomes and accounting income that originates in one year and is capable of reversal in one or more subsequent year and measured using tax rates and laws that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax assets for carry forward business loss are recognized only if there is virtual certainty supported by convincing evidence that future taxable income will be available against which such deferred tax asset can be realized

Deferred tax assets/liabilities are reviewed at each Balance Sheet date to reassess their reliability.

k. Foreign Currency Transactions

Foreign currency denominated monetary assets and liabilities are translated at exchange rates in effect at Balance Sheet date. The gains or losses resulting from such translation are included in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency are translated at the exchange rate prevalent at the date of transactions.

Revenue, expense and cash flow items denominated in foreign currencies are translated using the exchange rate in effect on the date of transaction.

l. Segment Reporting

The Group has identified that its operating activity is a single primary business segment viz. Real Estate Development & Services carried out in India. Accordingly, whole of India has been considered as one geographical segment

m. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

n. Cash & Cash Equivalents

Cash and cash equivalents comprise cash & cash on deposit with banks and corporations. The Group considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less, which are subject to an insignificant risk of changes in value and that are readily convertible to known amounts of cash to be cash equivalents.

o. Financial Instruments

1. Financial Assets

- Classification

The Group classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit and loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

- Initial recognition and measurement

Financial assets are recognized in the Group's statement of financial position when the Group becomes a party to the contractual provisions of the instrument. The Group determines the classification of its financial assets at initial recognition. All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

- Subsequent measurement

The Subsequent measurement of financial assets depends on their classification which is as follows:

- Financial assets at fair value through profit or loss

Financial assets at fair value through profit and loss include financial assets held for sale in the near term and those designated upon initial recognition at fair value through profit or loss.

- Financial assets measured at amortized cost

Loans and receivables are non derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowance for estimated irrecoverable amounts based on the ageing of the receivables balance and historical experience. Additionally, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. Individual trade receivables are written off when management deems them not to be collectible.

- Financial assets at fair value through OCI

All equity investments, except investments in subsidiaries, joint ventures and associates, falling within the scope of Ind AS 109, are measured at fair value through Other Comprehensive Income (OCI). The group makes an irrevocable election on an instrument by instrument basis to present in other comprehensive income subsequent changes in the fair value. The classification is made on initial recognition and is irrevocable. If the group decides to designate an equity instrument at fair value through OCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI.

- Derecognition

The group derecognizes a financial asset when the contractual rights to the cash flows from the assets expire or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset. Upon derecognition of equity instruments designated at fair value through OCI, the associated fair value changes of that equity instrument is transferred from OCI to Retained Earnings.

- **Investment in subsidiaries, joint ventures and associates**

Investments made by the company in subsidiaries, joint ventures and associates are measured at Cost.

2. Financial liabilities

- Classification

The Group classifies all financial liabilities as subsequently measured at amortised cost.

- Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, or as payables, as appropriate.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

- Subsequent measurement

The Subsequent measurement of financial liabilities depends on their classification which is as follows:

- Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading, if any.

- Financial liabilities measured at amortized cost

Interest bearing loans and borrowings including debentures issued by the Group are subsequently measured at amortized cost using the effective interest rate method (EIR). Amortized cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are integral part of the EIR. The EIR amortized is included in finance costs in the statement of profit and loss.

- Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or expires.

- **Fair Value measurement**

The Group measures certain financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the assets or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to the Group. The Group uses valuation technique that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, or
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

p. Impairment of non financial assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CG exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Impairment losses, including impairment on inventories, are recognized in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

q. Impairment of financial assets

The Group assesses at each date of balance sheet whether a financial asset or a Group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Group recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses, if the credit risk on the financial asset has increased significantly since initial recognition.

r. Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle; -
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The real estate development projects undertaken by the Group generally run over a period ranging up to 5 years. Operating assets and liabilities relating to such projects are classified as current based on an operating cycle of up to 5 years. Borrowings in connection with such projects are classified as short term (i.e. current) since they are payable over the term of the respective projects. Assets and liabilities, other than those discussed above, are classified as current to the extent they are expected to be realized / are contractually repayable within 12 months from the Balance sheet date and as non-current, in other cases. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

s. Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are de-recognised as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

t. Trade and other payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is due within 12 months after reporting period. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

u. Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as Long term investments.

Long term investments are carried at cost. Provision for diminution, if any, in the value of each long term investment is made to recognize a decline other than of a temporary nature. Current investments are stated at lower of cost and fair value.

Profit / loss on sale of on investments is recognized with reference to the cost of the investment.

4. Financial risk management objectives and policies

The Group's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Group's operations. The Group's principal financial assets include trade and other receivables, cash and cash equivalents and loans and advances and refundable deposits that derive directly from its operations.

The Group is exposed to market risk, credit risk and liquidity risk. The Group's senior management oversees the management of these risks. The Group's senior management is supported by a financial risk committee that advises on financial risks and the appropriate financial risk governance framework for the Group. The financial risk committee provides assurance to the Group's senior management that the Group's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

a. Market risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as equity price risk and commodity/ real estate risk. Financial instruments affected by market risk include loans and borrowings and refundable deposits.

The sensitivity analysis in the following sections relate to the position as at March 31, 2020 and March 31, 2019. The sensitivity analyses have been prepared on the basis that the amount of net debt and the ratio of fixed to floating interest rates of the debt. The analysis excludes the impact of movements in market variables on: the carrying values of gratuity and other post retirement obligations; provisions.

The below assumption has been made in calculating the sensitivity analysis:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2020 and March 31, 2019.

i. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term debt obligations with floating interest rates.

The Group manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. The Group does not enter into any interest rate swaps.

ii. Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's profit before tax is affected through the impact on floating rate borrowings, as follows

Particulars	Increase/ decrease in Interest rate	Effect on profitbefore tax*
March 31,2020		
INR	Increase by 1%	Reduce by 186,051,909
INR	Decrease by 1%	Increased by 186,051,909
March 31,2019		
INR	Increase by 1%	Reduce by 23,067,983
INR	Decrease by 1%	Increased by 23,067,983

Determined on gross basis i.e. without considering inventorisation of such borrowing cost.

b. **Credit risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including refundable joint development deposits, security deposits, loans to employees and other financial instruments.

Trade receivables

- (a) Receivables resulting from sale of properties: Customer credit risk is managed by requiring customers to pay advances before transfer of ownership, therefore, substantially eliminating the Group's credit risk in this respect.
- (b) Receivables resulting from other than sale of properties: Credit risk is managed by each business unit subject to the Group's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. The impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Group does not hold collateral as security. The Group's credit period generally ranges from 30-60 days.

Financial Instrument and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Group's treasury department in accordance with the Group's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty.

Counterparty credit limits are reviewed by the Group's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Group's Finance Committee. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through a counterparty's potential failure to make payments. The Group's maximum exposure to credit risk for the components of the statement of financial position at 31 March 2020 and 2019 is the carrying amounts.

c. Liquidity risk

The Group's objective is to maintain a balance between continuity of funding and flexibility through the use of bank deposits and loans. The table below summarizes the maturity profile of the Group's financial liabilities based on Contractual undiscounted payments:

	On demand Rs.	Upto 1 year Rs.	1 to 5 years Rs.	>5 years Rs.	Total Rs.
Year ended March 31,2020					
Borrowings	Nil	1,27,72,56,022	3,33,82,40,558	Nil	4,61,54,96,580
Trade payables	Nil	65,33,84,022	Nil	Nil	65,33,84,022
Other financial liabilities	Nil	5,86,69,16,162	335,856,121	Nil	6,20,27,72,283
Year ended March 31,2019

Trade payables	Nil	543,402,422	Nil	Nil	543,402,422
Other financial liabilities	Nil	4,925,481,645	335,856,121	Nil	5,261,337,766

d. Capital management

For the purpose of the Group's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Group. The primary objective of the Group's capital management is to maximise the shareholder value.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Group includes within net debt, interest bearing loans and borrowings, trade and other payables (excluding Liability under JDA), less cash and cash equivalents

Annual Report 2019-20

Particulars	31-March-20 Rs. (in lakhs)	31-March-19 Rs. (in lakhs)
Borrowings (long-term and short-term, excluding current maturities of long-term borrowings)	46,216.15	54,481
Trade payables	6550.34	5,434
Other payables (current and non-current, excluding current maturities of long-term borrowings)	-	-
Less: Cash and cash equivalents	(1856.80)	(626)
Net debt	50,909.69	59,289
Equity share capital	1199.84	1199.84
Other equity	31,494.05	35,398
Total Capital	32,693.89	36,598
Capital and net debt	83,603.58	95887
Gearing ratio	0.61	0.61

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been breaches in the financial covenants of interest-bearing loans and borrowing in the current period. Details are given in CARO section of Independent Audit Report issued on standalone financials statements of the company.

40. PNB Housing Finance Ltd has initiated legal proceedings against the company under the provisions of Section 13 (2) and 13(4) of the SARFAESI Act and under Rule 8 of Security Interest (enforcement) Rules, 2002. The Company is duly contesting the matter disputing the notice(s) issued by them in this regard and the matter is presently, sub-judice.

Due to overall sluggishness in the Indian economy and slump in the Real Estate Industry, there have been delays in the financial covenants in payment of principle as well as interest to certain secured lenders of the group in the current period. The parent company along with one of the subsidiaries are in the process of regularizing such delays.

41. Based on the information received The Company has not received information from all their vendors regarding their status under the Micro Small and Medium Enterprises Development Act 2006 (Act), there are no dues outstanding as on 31.03.2020 (Previous Year- Nil) in respect of Micro and Small Enterprises as provided in the Act. The parties have been identified based on the information available with the company and the same has been relied upon by the auditor.
- 43 In light of heightened concern on spread of COVID-19 pandemic, Governments of India announced Lockdown to contain the spread of disease. As a result of the pandemic, the global economy is projected to contract sharply by Negative 3% in 2020, much worse than during the 2008-09 financial crisis.

The Group's offices and project sites remained shut due to lockdown announced by Central and State Governments w.e.f. March 23, 2020. As per regulatory orders issued from time to time, the Group saw

partial resumption in May 2020, all our offices and project sites got operational in line with respective state rules and regulations. However, we also started witnessing labor migration issues across all states. This had an adverse impact on our operations at project sites. During April and May months we have seen sharp dip in sales but from June onwards we have seen marginal rise in inquiries and sales numbers has improved accordingly. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration.
