Notes :

1 The above is an extract of the detailed format of financial results for the quarter ended June 30, 2023 filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of financial results for the quarter ended June 30, 2023 are available on the Stock Exchange websites (www.bseindia.com and www.nseindia.com) and the Company's website (www.simbhaolisugars.com).

2 For the Quarter ended June 30, 2023 and in previous years, due to higher raw material cost i.e. sugarcane costs (SAP) fixed by State government and relatively lower sales realization of finished sugar on adverse demand & supply scenario, and other eternal factors, the Holding Company had continuously incurred huge cash losses resulting in complete erosion of its net worth, rendering the Company unable to meet payment obligations towards its lenders as well as to the sugarcane farmers in terms of their respective agreements and understanding. All the production units of the Holding Company are operational continue to operate at sub-optimum levels on year-on-year basis while consistent efforts are being made for improvement in operational efficiency viz. improvement in sugar recovery, reduction in overheads and reduction in other operational and administrative costs etc. However, due to lack of required working capital and no capex being undertaken towards augmentation and modernization, the operations of distillery and sugar plants are still adversely impacted. Further, the availability of required sugarcane for optimal utilization of production capacities is still a challenge on account of aforesaid reasons. In distillery segment, non-installation of incineration boilers and other equipment's to meet the stringent requirement of Pollution Control Board is still resulting in curtailed production levels. Further, the expected accrued benefits under the Sugar Industries Promotion policy 2004 has not been yet disbursed by the State Government as the matter is sub-judice.

Recognizing the status of the sugar industry, the state and central governments have taken a number of measures in past to improve the financial health of sugar mills and to support the liquidation of sugarcane arrears by grant of soft loan, fixing minimum support price of sugar, and Ethanol blending program with petrol coupled with long term tendering and fixing remunerative selling price of ethanol etc. All these measures specifically ethanol blending programme, have resulted in revival of the sugar industry but the Holding Company is continuing to suffer and incurring losses on account of non-availability of sufficient sugar cane commensurate to its crushing capacities, on account of delayed payment of sugar cane prices due to adverse liquidity position, which have resulted in the diversion of sugar cane in the command areas to the other adjoining sugar mills. Benefits under soft loan could also not be availed, since credit facility accounts with its lenders were having NPA categorisation.

3 Due to default in repayment of credit facilities, lenders to the Holding Company have initiated recovery proceedings at various forums, including filing of applications before the Hon'ble National Company Law Tribunal (NCLT) under Section 7 of the Insolvency and Bankruptcy Code, 2016 and also filing of recovery proceedings against personal guarantors (Promoters) before NCLT under section 95 of Insolvency and Bankruptcy Code.2016 in addition to approaching Debt Recovery Tribunals in Delhi as well as in Lucknow, Uttar Pradesh. One of the lenders had declared the Holding Company and Guarantors to the credit facility, as Willful Defaulters, such impugned order of lender was Set Aside by Hon'ble Punjab and Haryana High court at Chandigarh, while another lender had started the proceedings to examine the Willful Default and a personal hearing was also granted, basis Holding Company's representations the decision is kept in Abeyance. One lender has categorized Holding company with Fraud tag and same is challenged before Delhi High Court. While one of the lenders had initiated recovery proceedings under section 138 of the Negotiable Instrument Act, wherein non-bailable warrants were issued against the erstwhile directors and officials of the Holding Company, which is being contested at the appropriate forum. Against a criminal complaint filed by one of the lenders, the Enforcement Directorate had passed an Attachment Order on certain assets of the Holding Company to the extent of Rs. 109.80 Crore, against which the Holding Company has preferred an appeal before with the appropriate authority and the matter is sub-judice. The Enforcement Directorate had proceeded to take the Constructive Possession of the Attached Property on which an Interim Stay has been granted by the Hon'ble Appellate Tribunal.

The Holding Company is continuing to pursue a comprehensive debt resolution proposal with all the lenders. Commercial lenders have shown their inclination to accept the debt resolution proposal and accepted the Earnest Money offered thereof, while Debt realignment proposal was submitted to other lenders against which the Holding company had initiated the repayments, pending approval of respective lenders. Revised and improved debt resolution proposal given to commercial lenders on bilateral basis is under consideration by the commercial lenders, while application filed with Hon'ble NCLT Bench, Allahabad is being heard. The Commercial Lenders have also appointed two independent valuers for the valuation of the assets of the Holding Company.

Considering the steps initiated for achieving turnaround of the Company and sugar sector, and continuing manufacturing operations in near foreseeable future with improved operational efficiency, the financial results of Holding Company are continued to be presented on Going Concern basis, which contemplates realization of assets and settlement of liabilities, in the normal course of business. Accordingly, property, plant and equipment's are continued to be stated at carrying amount without testing for impairment, pending receipt of the final valuation reports from the two independent valuers appointed by the Commercial Lenders.

4 As stated, aforesaid, the Holding Company has submitted comprehensive debt resolution proposals with all the lenders to commensurate with its future cash flows including infusion of funds by strategic investor, promoters, internal accruals, monetization of assets etc. which contemplates the total waiver of interest and concession in repayment of principal amount. Commercial lenders have accepted the Earnest Money Deposit (EMD) offered in consonance with the Debt Resolution Proposal. Accordingly, the Interest expenses on credit facilities pertaining to commercial lenders, for the quarter ended June 30, 2023 amounting to Rs. 5,104.63 Lakhs (previous quarter ended June 30,2022 amounting to Rs.4,663.48 Lakhs) has not been recognized in profit and loss account. An accumulated amount of Rs.94,052.66 Lakhs towards accrued interest has not been provided for in the books of accounts as on June 30, 2023.

5 The Hon'ble High Court of Uttar Pradesh had directed the state government to determine the interest liability for the period of delayed payments of sugarcane price to cane growers for the sugar seasons 2012-13 to 2014-15 by the UP sugar industry. The Holding Company had received a notice for payment of interest on delayed payment of cane price for sugar season 2012-13, but considering the past practice of waiver/non-levying of any interest on account of delayed payment of cane price by the State Government, no provision towards the interest on delayed payment of cane price for the aforesaid and subsequent sugar seasons has been made in the accounts. Since, no demand notices have been raised on the Holding Company, except for sugar season 2012-13, the amount of interest on account of delayed payment of cane price not provided for in the accounts, could not be quantified.

6 The auditors of Integrated Cashtech Consultants Private Limited ('ICCPL'), a subsidiary company have qualified its opinion on the financial statements for the year ended June 30, 2023 in respect of following matters:

i. ICCPL had recognized revenue of Rs. 462.57 Lakhs as unbilled revenue in the earlier financial years, which had been in disputes with the counter parties. Further the counter parties had also hold back the payment of Earnest Money Deposits of Rs. 100.00 Lakhs, which has been shown as recoverable in the books. Pending final settlement of the disputes, the unbilled revenue and Earnest Money Deposits balances are continued to be carried forward at the same amount, without making any provision for the expected credit losses and estimated probable losses on account of disputes. The auditors are not made available of appropriate impairment assessment carried out by the management and accordingly, expressed their opinion that they are unable to comment on the same, including the compliance of the Ind AS 36 and any consequential adjustment that may arise in this regard in the financial statements of ICCPL.

ii. Trade receivables includes overdue receivables for more than one year amounting to Rs. 306.79 Lakhs, which has been classified as considered good and against which provision for expected credit loss of Rs. 93.39 Lakhs has been made. Examination of records of ICCPL revealed that the counter parties had not accepted the invoices raised by ICCPL on account of various disputes in fulfillment of the contracts and are also not confirming that these payments are due to IPPCL as per their records. In absence of the confirmation and considering the fact of non admission of invoices, the auditor expressed their opinion that the entire receivable amount of Rs. 306.79 Lakhs should have been provided for by ICCPL.

iii. The recognition of net deferred tax assets of Rs. 149.46 Lakhs in respect of past losses and other deductible temporary differences is not in consonance with the Ind AS 12, as in the opinion of the auditors, the probability of earning sufficient taxable profits in future is remote in view of the above mentioned qualifications.

7 In the audited financial statements of Simbhaoli Power Private Limited ('SPPL') for the year ended March 31, 2022, the statutory auditor of the SPPL had qualified their opinion on the matter of certain accounting disputes with the holding company aggregating to Rs.1,197.90 Lakhs, resulting in understatement of loss after tax and overstatement of equity by the aforesaid amount. The auditors further drawn Emphasis of Matter in respect of existence of material uncertainty on account of reduction in power tariff w.e.f. April 1, 2019, against which a writ petition has been filed by SSPL and others before High Court of Allahabad, Lucknow Bench, accounting of power supplied during the period April 1, 2019 to September 31, 2019 resulting in higher recognition of revenue by Rs. 683 Lakhs having consequential impact on the profits and financial statements, and consequential impact on Impairment on Property, Plant and Equipment, if any, on account of the aforesaid tariff reduction. The auditors had further drawn attention on the existence of material uncertainty due to incurring of losses on account of reduction in power tariff having adverse impact on the liquidity of SPPL and reported that the aforesaid facts cast significant doubts about the SPPL's ability to continue as a going concern.

8 In the consolidated financial results of the Company for the Quarter ended 30 June, 2023 and other presented periods, the financial results of SPPL, a material subsidiary has not been consolidated, as the financial results of SPPL after financial year ending on March 31, 2022 have not been yet finalized and approved till date.

The transactions entered into between the Company and SPPL for the Quarter ended June 30, 2023, which have not been eliminated in the consolidated financial results, have resulted in increase in the total revenue by Rs. 518.99 Lakhs and total expenses by Rs. 245.86 Lakhs. Further, increase in the balances of subsidiary of Rs. 1,270.16 Lakhs as on 30 June, 2023 have been included in the consolidated balance sheet in the respective asset heads.

9 The Board of Directors of the Holding Company has proposed the re-appointment of Ms. Gursimran Kaur Mann, as Managing Director of the Company w.e.f. August 02, 2021 and Mr. Sachchida Nand Misra as Chief Operating Officer and Whole Time Director w.e.f. September 16, 2021 for a period of 2 years. The Holding Company has also approached the lenders for acceding consent for payment of the remuneration to MD and COO & WTD. The Special Resolutions were passed at the 10th Annual General Meeting (AGM) held on September 27, 2021. Lenders with majority share in outstanding debt have provided their consent to pay the remuneration to above named persons. The Holding Company is actively pursuing with other lenders for obtaining their consent, having belief that consent will be received in due course, and payment of remuneration has been made from the date of re-appointment, as stipulated by the majority of lenders led by the State Bank of India till June 30, 2023 amounting to Rs. 279.54 lakhs, including Rs 36.99 Lakhs for the quarter ended 30.06.2023.

11 The obligation to supply molasses quantity under levy quota has been determined and accounted for in accordance with the Molasses Policy for the year 2022-23. However, the state excise department, on its own, different interpretation of the said policy, has determined higher quantities to be supplied under levy quota. Against which representations have been made to the State Government by the sugar industry including the holding company. Pending settlement of the matter and in view of legal recourse available to the holding Company, no adjustment has been made in respect of the said higher levy quota in these financial results and the value of molasses supplied under levy quota over and above the quantity determined as per Policy has been treated as recoverable.

12 The figures for the quarter ended March 31, 2023 are the balancing figures between the audited/restated figures of the full financial year and published unaudited year to date figures up to third quarter for the respective financial years, which were subjected to the limited review by the auditors.
