Limited Review Report

To
The Board of Directors
Vipul Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results ("the Statement") of **Vipul Limited** ("the Company"), for the quarter and half-year ended September 30, 2022.
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4.
 - (i) Cash and cash equivalents include cheques in hand aggregating to Rs.373.71 lakhs collected from customers towards advances/booking amount. As stated by the management, these are yet to be presented for encashment at the request of customers.
 - (ii) The Company has taken as well as granted several secured and unsecured loans and advances during the quarter. The agreements/ documentation in respect of such loans and advances are in the process of being signed. In the absence of such signed agreements, interest payable and receivable, as applicable, has been computed on the basis of the details provided by the Management where available. The impact, if any, will be recognized after the completion of such documentation.

5. Emphasis of Matter

Attention is drawn to the following:

- a. Note No. 4 which states that paucity of funds has resulted in non-deposit of undisputed statutory dues of Goods and Services Tax, Income Tax deducted at Source and Provident Fund.
- b. Note 7 to the financial results which relates to non-provision of interest on advance received from customers as negotiations for settlement of the same is under progress.
- c. Note 8 which states that the Company is in the process of reconciling the GST payable and input credit with the books of accounts and the returns. The impact, if any, will be recognized after the completion of such reconciliation.

Our conclusion is not modified in respect of these matters.

6. Based on our review conducted as above and subject to the matters mentioned in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

LIMITED REVIEW REPORT

TO
THE BOARD OF DIRECTORS OF
VIPUL LIMITED

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results ("the Statement") of **VIPUL LIMITED** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") and its share of the profit after tax and total comprehensive income of its associates for the quarter ended September 30, 2022 and for the period April 1, 2022 to September 30, 2022, being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. (i) As stated in Note 1 to the financial results, the consolidated financial results does not include the financial information of one subsidiary along with its four subsidiaries while the Statement of Consolidated Assets and Liabilities and Consolidated Statement of Cash Flow for the half year ended September 30, 2022 includes the consolidated Balance Sheet of the said subsidiary for the year ended 31st March, 2020. The Consolidated Financial Statement of the subsidiary could not be prepared and the Parent's Management has used the last audited financial statements of the subsidiary for the purpose of consolidation.
- (ii) In an associate not audited by us and not subjected to limited review during the quarter, The auditor in the audit report for the year ended March 31, 2022 had stated that the Capital Work-in-progress includes a leasehold property. As a result of disruptions and adverse market conditions, there has been no development activity on the leasehold land and consequently, the Company has not recognized Right-of-use assets and Lease Obligations in accordance with the provisions of Ind AS-116 "Leases". The impact of such deviation on the profits for the year and the year-end shareholders fund is currently not ascertainable.
- (iii) Cash and cash equivalents include cheques in hand aggregating to Rs.373.71 lakhs collected from customers towards advances/booking amount. As stated by the management, these are yet to be presented for encashment at the request of customers
- (iv) The Parent Company has taken as well as granted several secured and unsecured loans and advances during the quarter. The agreements/ documentation in respect of such loans and advances are in the process of being signed. In the absence of such signed agreements, interest payable and receivable, as applicable, has been computed on the basis of the details provided by the Management where available. The impact, if any, will be recognized after the completion of such documentation.
- (v) In a subsidiary subjected to review by another auditor, the auditor has stated that project advances given to various parties amounted to Rs. 26.83 crores. However, the agreement for the advances given is yet to be formalised and signed by the parties. In the absence of appropriate audit evidence, they are unable to ascertain the existence, purpose and the classification of these advances given.

5. **Emphasis of Matter**

We draw attention to the following notes to the financial results:

- i. Note No. 4 which states that paucity of funds has resulted in non-deposit of undisputed statutory dues of Goods and Services Tax, Income Tax deducted at Source and Provident Fund.
- ii. Note 7 to the financial results which relates to non-provision of interest on advance received from customers as negotiations for settlement of the same in under progress.

- iii. Note 8 which states that the Company is in the process of reconciling the GST payable and input credit with the books of accounts and the returns. The impact, if any, will be recognized after the completion of such reconciliation.

Our conclusion is not modified in respect of these matters.

BACKGROUND AND RATIONALE FOR THIS SCHEME

The Board of Directors of the Transferor Companies and the Transferee Company are of the opinion that the proposed amalgamation of the Transferor Companies with the Transferee Company will be for the benefit of all the Companies due to the following reasons:

1. 100% (one hundred percent) or the entire issued, subscribed and paid up equity share capital of each of Abhipra Trading Private Limited; Graphic Research Consultants India Private Limited; and Vineeta Trading Private Limited is beneficially held by Vipul Eastern Infracon Private Limited (together with nominee shareholders). 100% (one hundred percent) or the entire issued, subscribed and paid up share capital of Vipul Eastern Infracon Private Limited is in turn beneficially held by Vipul Ltd. (together with its nominees).
2. 100% (one hundred percent) or the entire issued, subscribed and paid up equity share capital of each of United Buildwell Private Limited is also beneficially held by Vipul Ltd. (together with its nominees).
3. As such each of the Transferor Companies are directly or indirectly wholly owned subsidiaries of Vipul Ltd. or the Transferee Company.
4. The Transferor Companies are *inter alia* engaged in similar lines of businesses of infrastructure development, real estate development and allied activities and thus, bringing all these companies into one-fold is found beneficial and in the interest of the ultimate shareholder of the companies i.e. Vipul Ltd. or the Transferee Company.

5. The amalgamation of the Transferor Companies with the Transferee Company will enable the companies to work more cohesively, efficiently and effectively by pooling of resources, thereby bring about overall economy and reduction in costs. Cost savings are expected to flow from more focused operational efforts, rationalisation, standardization and simplification of business processes and from the elimination of duplication and rationalisation of administrative expenses.
6. The amalgamation will reduce multiplicity of legal and regulatory compliances required to be carried out by each of the companies, by reorganising and reducing the number of entities, eliminating administrative function and multiple recordkeeping.
7. The amalgamation of the companies will enable the management to improve and enhance the working and operations and create a focused platform for future growth by consolidating the businesses, combining resources and leveraging combined assets. The amalgamation will result in the formation of a stronger company with a larger asset base and enable the combined businesses of the Transferor Companies to be pursued more conveniently and advantageously, with combined synergies and with larger resources available with the Transferee Company.
8. Greater integration and greater financial strength and flexibility for the amalgamated entities, which would result in maximising overall shareholder value, and will improve the competitive position of the combined entity.
9. Improved organisational capacity and leadership, arising from the pooling of human resources of the Transferee Company, who have the diverse skills, talent and vast experience to complete successfully in the increasingly competitive industry.

It has therefore been considered appropriate to eliminate multiplicity of companies by amalgamating all of the Transferor Companies with the Transferee Company. Accordingly, the Board of Directors of each of the Transferor Companies as well as the Transferee Company have considered and approved the amalgamation of the Transferor Companies with the Transferee Company in the larger interest of the companies, their ultimate shareholders, creditors, employees and the general public.

Accordingly, this Scheme for amalgamation of each of the Transferor Companies with the Transferee Company (collectively referred to as "**Companies**"), under the provisions of Sections 230 to 232 of the Companies Act, 2013 read with applicable provisions of Companies (Compromise, Arrangement and Amalgamation) Rules, 2016 (as amended) ("**Act**") has been propounded in this present form (or with any modification(s) that may be approved by the shareholders of the Companies concerned or as may be directed by the NCLT or any other Appropriate Authority), which, provides for amalgamation of the Transferor Companies with the Transferee Company, as going concerns.
