Advantage Bawal:

Bawal, an industrial hub in south-west Haryana, is scripting India's biggest turnaround story. Bawal is strategically located on the Delhi-Mumbai Freight Corridor (or Delhi-Mumbai Industrial Corridor) on NH-8, which has ensured multiple entries and dedicated service roads on both sides of the national highway so as to avoid a bottleneck and the smooth traffic flow.

Of 300 industrial units in this region, close to 70 per cent are auto ancillary units. Of these 50 are Multinational Companies. Bawal Industrial Area is a well established industrial zone and HSIIDC has provided excellent infrastructure facilities for the area. Its connectivity to Millennium City Gurgaon where most of the corporate offices are located, is another key factor in making Bawal an excellent location.

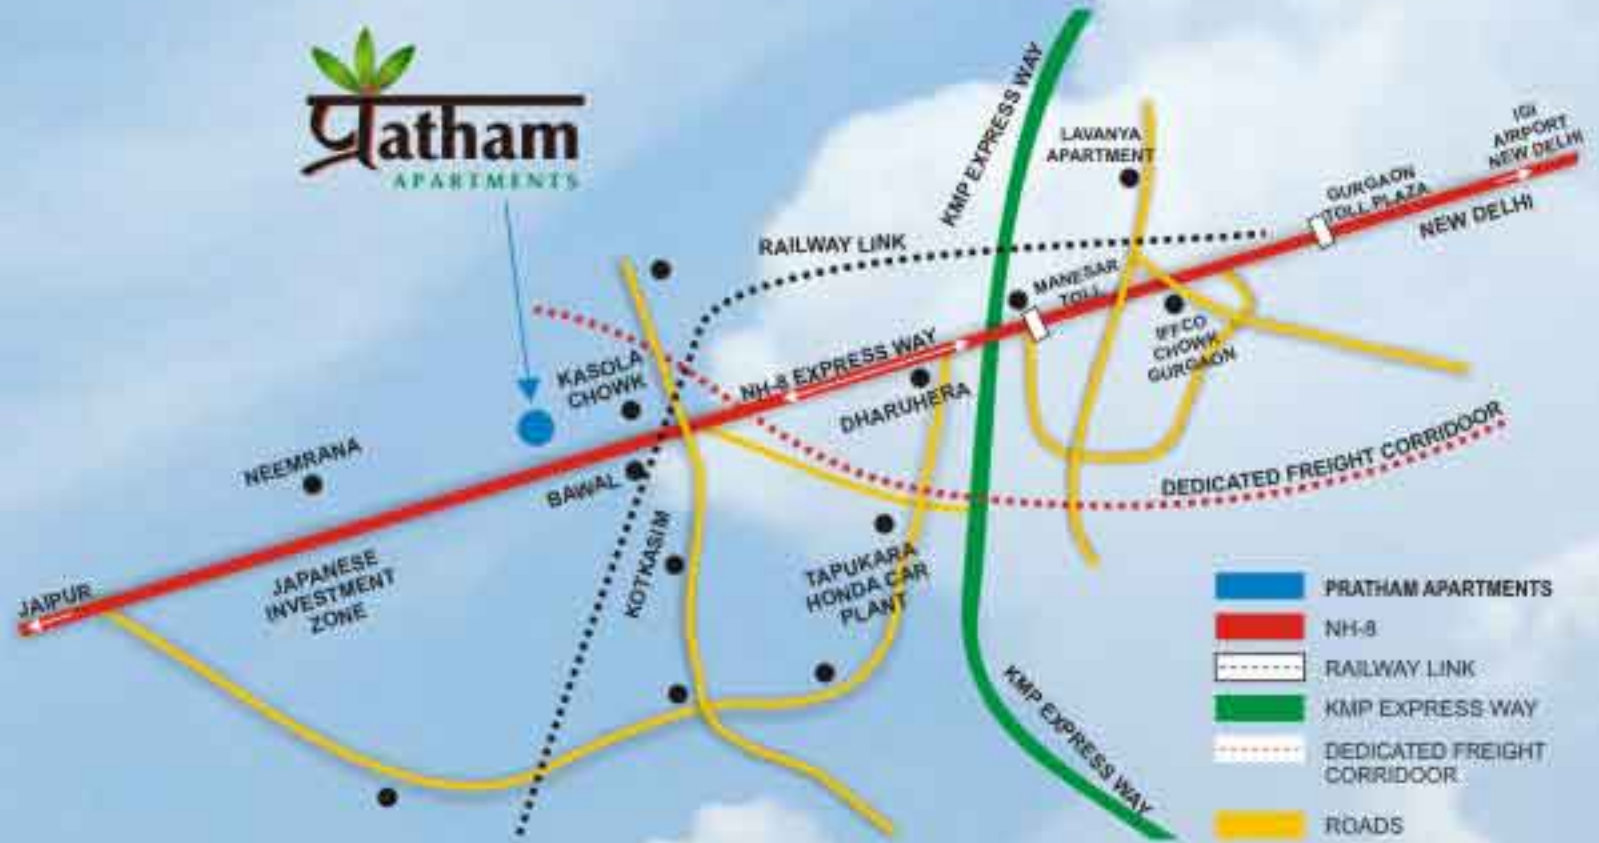

The multi-crore Kundali-Manesar-Palwal Expressway once ready, will provide an excellent connectivity and reduce travel time for those who want to skip Delhi and neighboring towns.

- Bawal, strategically located on NH-8
- Home to several domestic and Multi-National Companies.
- Biggest industrial estates in NCR, Sprawling over 3,367 acres.
- Dedicated sectors for Housing, Institutional and Commercial activities.
- An alternative to Gurgaon-Manesar region
